

Allie's Place

There's no shortage of curb appeal for this beautiful 4 bedroom modern farmhouse plan. The formal entry and dining room open into a large open living area with raised ceilings and brick accent wall. The large kitchen has views to the rear porch and features an island with eating bar as well as a large pantry. The 4 bedrooms are well-sized and all include large walk-in closets. As an extra feature, an upstairs bonus space is provided that would be perfect for a guest suite or that family game room. With so much to offer, make this your next home today!
