Property Specifications

- F&A - Functional and affordable
- Modern farmhouse - open plan
- Bonus room upstairs
- Private master suite
- 2100 sq. ft. option shown

Property Plans

Elle's Place

This modern farmhouse enjoys the best of both worlds with a classic front porch and stylish curb-appeal. A second sprawling porch to the rear continues outdoor enjoyment. The open floor plan maintains an easy flow for families to relax and enjoy meals together. The master suite is free of distractions and tucked away for privacy while the utility room with laundry sink is nearby for convenience. Two additional rooms are available for children, guests, or a study. Call us today to start planning your new home!

Price: \$259,900 (as shown)
