## The Phillips

Welcome to The Phillips. Another customization and improvement on an award winning plan. The generous great room will provide the perfect setting for family gatherings and Mom will never be too far away in this adjoining open kitchen. The first floor is truly a family oriented design. The master suite is nestled on the first floor. The upper floor offers a beautiful balcony view of the great room and foyer. Don't forget the bonus room...a great hideaway for the kids to get loud in.
